

## The Gleanings of Understanding during the Month of Elu

- This is the Harvest season, and the King is in the Fields walking amongst the workers checking on the Harvest. Jesus is our King!! “King of Kings and Lord of Lords”. To be sober of Spirit and introspection of what are relationship has been with Jesus over the last year. Search and look for Jesus during the month of Elu, for **He** is near in the field and can be found.
- A time of repentance and evaluation. To look back and repent of the any past mistakes not confessed and covered by the blood. Go back and correct if possible, any past mistakes made during this last year. Rededicate yourself to doing better “Resist the Devil and He will flee”. Set your course for the upcoming year. Keep hope alive and stand on the promises of God remembering to do **your** part!!
- Forgiveness, a time to try to reforge broken relationships that have slipped away with family, friends, and yes brothers, sisters in Christ. God only asks us to do **your** part in these relationships. Sometimes it’s asking for forgiveness, and sometimes it’s just reaching out to someone letting them know you are thinking about them.
- Daily reading of Psalm 27 during the entire month. **Glean** the deeper meanings of this powerful Psalm. Try to remember verses without the assistance of the scriptures in front of you. Let them rest in your mind and be settled in your heart so they just roll of your tongue.
