

Daniel's 21 Days of Fasting, Prayer, and Repentance

In Daniel chapter 9, Daniel began to pray, intercede, and confession for his people, “we have sinned, committed iniquity, done wickedly, rebelled, and have departed from Your precepts and Your judgements.” That’s as applicable today as it was back in 536 BC. Daniel’s prayer got Jehovah’s attention because in Daniel Chapter 10, the vision of Chapter 9 is revealed to Daniel. Daniel began to mourn and 3 full weeks at no pleasant food, meat or wine. A vision of a glorious man comes to Daniel. “From the time you set your heart to understand and humble yourself to your God, your words were heard and I dispatched but resistance came from the Prince of the Kingdom of Persia. We can learn many spiritual insights in this story. First when we fast, pray, repent, in Gods Will our prayers are heard and answered but sometimes with spiritual resistance of the enemy.

Right now, the United States and Israel are preparing numerous military assets and dispatching them to the vicinity of Iran – Old Testament Persia. Is that old Prince of the Kingdom of Persia(Iran) stirring the pot again? We don’t know what the future brings but denying we are traversing *dangerous waters* right now wouldn’t be wise.

If we were to begin to mirror Daniels 3 weeks of Fasting overlapping the Hebrew Month Nisan, we would need to fast from April 1, 2025 to April 22, 2025. So, we are asking those who in the Spirit feel that they would like to pray and intercede for our nation, Israel, Middle East, Ukraine and Russian war to be in agreement on the following items.

We ask that the Prince of Peace – Jesus the Christ to rule in reign in the Hearts of Mankind & World Leaders. We ask that peaceful solutions be present and accepted before any more major military conflicts arise. We ask for protection of our US Military Forces if conflict does breakout that Gods Hand of protection be over them. We ask for the People of America - to have a Holy Spirit led self-reflection on how our culture has denied Christ as King of Kings, and how far we have fallen away from Scriptural Morals outlined in the Bible. From Abortion, Sexual Promiscuity, Breakup of the Natural Family, rampant homosexuality, & Sexualization of our children.

We recommend to read, pray and mediate on the following the Psalms for each day over this 21-day period. Starting with Psalm 1 for April 1 / Psalm 2 for April 2/ Psalm 3 for April 3 etc. till we reach April 22nd and ending on Psalm 22. We ask that you read Daniel Chapters 9 thru 12 over and study them. We thank those who will join us in this prayer endeavor. I leave you with this scripture from Mark 9:29 when the disciples asked why their prayer were ineffective and Jesus responded “This kind came not come out without prayer and fasting”

Fasting can include certain foods or things that are meaningful to you in which you deny yourself for 3 weeks. Work that out with the Lord, He will honor your efforts if you’re doing it in the right Spirit.
